MISCELLANEOUS LETTER

Sir:

The purpose of this Miscellaneous Letter is to create a written record of a telephone interview that was conducted today between Examiner Phan and Mr. James Gromada, attorney for Applicants.

On October 18, 2006, an Amendment was filed by Applicants in relation to the instant application. On October 26, 2006, an Office Action relating to the instant application was mailed. However, the October 26, 2006 Office Action is not responsive to the October 18, 2006 Amendment.

At approximately 1:00 p.m. today, in response to a

voice mail message from Mr. Gromada requesting a telephone interview to discuss the instant application, Examiner Phan telephoned Mr. Gromada. During the telephone interview, Examiner Phan stated that, in view of the October 18, 2006 Amendment, he had allowed the instant application in February 2007, but that according to the computer records that he was accessing, no further Communication has yet been mailed.

Examiner Phan then stated that Applicants need not respond to the October 26, 2006 Office Action, and that he expects a Notice of Allowance to be mailed shortly.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 625-3633. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

/James A. Gromada/
